Fast Angus heifers have been pregnancy checked as open and satisfactory potential breeders by Dr. Kirk Johnson, DVM.

Fast-Strommen Angus has joined the Top Dollar Angus Program!

Top Dollar Angus is a genetic-certification and marketing company focused exclusively on the top 25% of the industry in carcass and growth Angus and Red Angus-influenced feeder cattle. Top Dollar Angus is a program similar to other popular branded-beef programs, except that Top Dollar Angus does its "branding" in the feeder cattle and calf market.

In today's market, Top Dollar Angus cattle are seeing premiums ranging from \$30 to \$70 per head above the average market. Cattle feeders know that Top Dollar Angus cattle perform better and have higher grid-based carcass rewards compared to other cattle. If you have consistently invested in high-performance Angus genetics, Top Dollar Angus will make your cattle stand out from the pack and get you the premiums that you deserve!

Fast-Strommen Angus will pay the initial enrollment fee for the first two customers who sell cattle through the Top Dollar Angus program (a \$250 value)!
