LOTS

Welcome!

Dear Friends and Cattlemen,

It gives us great pleasure to welcome you to our 53rd Annual Production Sale! Our family would like to start by thanking our many valued and loyal customers who have placed their trust and confidence in us to supply them with high-quality seedstock year after year.

Our long history in the business tells the story of customer satisfaction that is - and always will be - our highest priority! Approximately 80% of our buyers each year are repeat customers, some have bought our cattle for over 30 years and we greatly appreciate those folks who have patronized us for so many years. We also look forward to providing quality cattle to those who are willing to give us a try for the first time.

Richard and Jamie are slowly cutting back their herd to make room for the Strommens, and therefore 10 super-fancy yearling heifers from the heart of the Fast replacements will be a top feature in this year's sale!

We believe strongly in the genetics that we produce, and we are again offering sons and as well as daughters of home-raised sires Fast-Strommen Reno 987 and Fast Revitalize 191. Our home-sired bulls excell and/or are comparable to sons by AI sires KG Just Cause and SAV Renew 8132 to name a few!

We encourage everyone to stop by as we would be happy to show the cattle to you and allow us to help you find what you are looking for. Frontier Live Sale will again offer live online auction for those of you unable to attend on sale day.

We have a great sale offering of bulls that are not creep fed. After weaning they are fed a high roughage ration - low concentrates ration. A ration which allows them to gain evenly and consistently without ruining their feet or jeopardizing their fertility. Our customers report that the life span of our bulls in their herds has been up to 5, 6 and yes...as much as 10 years!

We believe in producing efficient, practical and profitable Angus cattle. We strive for efficient cattle that are just the right size for their environment and still grow heavy calves. Practical cattle that calve easily, are quiet to handle, require less labor and keep feed costs down. Profitable cattle that are affordable, but generate the kind of calves that feeder buyers demand.

So join us for our 53rd sale! We eagerly look forward to shaking your hand and visiting with new and old friends!

Sincerely,

Richard & Jamie Fast

Jeremy & Rachel Strommen

Just Cause was the 2020 top seller at KG Ranch, MT, who has matured into a tremendous sire. He is a sire that combines a high level of calving ease, maternal excellence and physical quality into one package. Ahead of the curve for \$M, he is the Justified son the KG Ranch is using to bring their program forward for udder quality, fertility and longevity. He is the sire of Lots 1-9, and heifer Lots 87-89.

Starting out the sale offering is this super attractive, well-balanced and deep-bodied bull that combines weaning performance and superior maternal traits. He posted the 3rd top weaning weight this year with a WR of 114! He also ranks in the top 10% for CED, BW and \$W. His dam, a Pathfinder cow, is a long-bodied daughter of Double XL that has produced several top quality sale bulls in past years. She and her son both have good foot shape and length of toe. Dam's WR: 4/109. Retaining a 1/4 interest.

This is our only Fair-N-Square son this year. However, we were so impressed with his first crop last year that you can forward to a large selection of his progeny for next year. This bull is square-made, has a wide level top and good muscle expression through his hip and rear quarter. His dam is a deep bodied, easy fleshing daughter of Sitz Resilient that did a good job with her first calf. His WR: 102. Dam's WR: 1/102.

A sleep all night, calving ease deluxe bull here! A bull with a long spine, well laid in shoulders, and a smooth muscle pattern for an ideal calving ease phenotype. In addition, he should convey added carcass value and posts a +.87 for Marb and +57 for \$G. Out of a nicely made Treasure daughter that has calved in the first cycle again this year. His WR: 100. Dam's WR: 1/100.

Rainfall 1013, like his half brother Koupals B&B Pathfinder 8106, is a true maternal masterpiece! He is the result of five generations of Pathfinder dams genetically designed to transmit fertility, predictable productivity and maternal function. Rainfall 1013 sires bulls with long spines and the right kind of muscle shape and dimension. He is the sire of Lots 15-22 and heifer Lot 90.

3108 is a super cool dude, and he'll show you. He likes to show off how good he is. Small framed, big power, very good feet, and an excellent strong bone structure for a calving ease bull. A rough measurement puts him at a 5 frame. His dam is a very promising young Raindance ET cow that's out of one of our easiest fleshing and longest made donor cows. Dam's WR: 2/102.

Fast Cha-Ching 97 was our top selling bull in our 2020 sale going to the Joseph Angus Ranch, Winner, SD. He has sired gorgeous daughters and is the maternal grand sire of Lot 89. He is also a half brother to Lot 20.

Reno 987 was our second high-selling bull in our 2020 sale that sold to Larsen Angus Ranch, Forsyth, MT. Admired for his soundness, performance and multi-trait, balanced EPDs, he ranks in the top 30% of the breed or better for 20 EPDs, including the top 10% or better in CED, HP, \$M, and \$C. His first calves debuted in the 2022 Larsen Angus spring sale where 15 sons were well received and were the second high-selling sire group. His dam, Fast Erica Alt 24, is the all-time highest sale-grossing cow in the Fast Angus and Strommen Cattle Co.'s history! This will most likely be the last year to obtain his progeny...Get them while you can! Sire of Lots 23-30 and heifer Lots 92, 94, and 96.

Fast Erica Alt 24 is the dam of such elite sires as Fast Capitalist 414, Strommen Platinum 683, Fast-Strommen Payweight 845 and Fast-Strommen Reno 987.

A home grown bull that delivers superior calving ease, growth performance, maternal traits, carcass quality, and gentle dispositions...all in one eye-appealing package!

**MCC Supermama 0139**

Supermama 0139 is a second generation Pathfinder donor and the dam of Lots 31 & 32. She combines a great amount of fertility, longevity, and performance stemming from the great female-maker, CRA Bextor 872. She records performance ratios of BR 10 @ 98, WR 10 @ 106, YR 10 @ 105, % IMF 10 @ 101. Notable progeny include the \$30,000 ABS study, MCC All Purpose, and \$25,000 MCC Essential selling to Baldrige Brothers.

*Minimum Genetic Requirements*

Marbling EPD (Marb)	+0.65
Dollar Grid Carcass Index (\$G)	+55.0

The Targeting the Brand™ logo can be used on any registered Angus bull with a minimum marbling EPD (Marb) of +.65 and Grid Value Index (\$G) of +55 or higher. Data from the American Angus Association show that these minimum thresholds for Marb and \$G achieve an average of 50% Certified Angus Beef (CAB) acceptance. The logo helps bull customers to easily find bulls with added carcass value.

**Fast Deadwood 383 - Lot 33****Spring Cove Liza 754**

Liza 754 is a beautiful, moderately framed female with length and depth. She comes from the Spruce Mountain donor pen where she posts a WR 1 @ 102. She is a maternal sister to the now-deceased ST Genetics sire, Spring Cove Reno 4021. She's a direct daughter of the rare SydGen 928 Destination 542, known for creating top-end females in the Angus industry. The dam of Lots 33 & 34.

Visitors to the ranch commented, "He's got to be the longest bodied yearling Angus bull we have seen!" Indeed, he is super long, deep-bodied, and stands on a wide base with a stout foot under each corner. A quiet disposition bull with a low birth weight and yet he posted the heaviest weaning weight! His newly made Pathfinder dam is a large frame, long-bodied cow with a level and sound udder. From the highly productive cow family that produced Fast Cha-Ching 97. His WR: 119. Dam's WR: 3/110. We Value Our Customers!

Customer satisfaction is and always will be our highest priority! Approximately 80% of our buyers each year are repeat customers and many have bought our bulls continuously year after year.

Why so many repeat customers?

For several reasons: First of all, not all the bulls we raise make the sale. We carefully select our sale offering for overall quality, performance, soundness of feet and legs, disposition and finally on fertility.

Secondly, we proudly stand behind our bulls. If for whatever reason our customer is not happy, we will do our best to make it right. Just promptly give us a call. We will be happy to take your call!

Thirdly, we are happy to work with the many situations our customers may have. No place to winter a bull? We'll take care of your bull until you have space. Need the bull delivered at a certain time and location? Just let us know. Would like your bull semen collected? We can help with that too.

Visit us at the ranch and attend our sale to learn why our customers are happy with their bulls!

The cattleman kind right here. 3118 is a long, smooth made, moderate bull with a maternally power-packed pedigree. His dam and granddam are both great cows that consistently produce quality calves. He'll give you the longevity in your females and still put pounds in your steers. 3118's Granddam posted a calving interval of 10 @ 365. Dam's WR: 5/101

A larger frame Justified 1137 son, with a massive wide top and good depth of rib. We purchased his sire in the 2022 Gartner-Denowh sale and liked him for his big performance and highly productive cow family. 3132's Pathfinder dam has stood the test of time with sound feet, good teat and udder quality. He has the right genetics for rugged and arid topography. His WR: 102. Dam's WR: 8/103.

We were hoping for another daughter of this grand old sire of fabulous females, instead we got a really nice bull. Here is your opportunity to convey superb maternal traits into your herd by keeping all the daughters out of this bull. In addition, this long, deep bodied bull will add pounds to your calf crop! His WR: 105. Dam's WR: 5/101.

Don't over look this early April, moderate birth weight bull who combines big weaning performance with a big-time growth EPDS and added carcass value! He ranks in the top 2% of breed for WW and YW and top 10% for \$C. A stout, rugged bull that has nearly caught up to the oldest bulls in the pen. His Treasure dam is easy fleshing and has good teat and udder quality. His WR: 108. Dam's WR: 2/104.

GDAR Justified 914, paternal grand sire of Lots 50 and 53. He has been used extensively in the Gartner-Denowh herd to improve feet, fertility and docility.

Connealy Power Pro 370, as a two-year-old. The sire of some of the most prized females in our herd for their docility, longevity, femininity and attractive phenotype. Sire of Lot 53.

Friends and Cattlemen!

Welcome to our 53rd Annual Production Sale! Thank you again to new and old customers for taking an interest in our sale offering! What a great summer we had! It was so nice to have timely rains with minimal wind. The hay crops were very nice and we sure do appreciate the Blessings that God bestowed upon us. The winter has been a nice reprieve from all the cold and snow of last winter. We are offering another set of stout, rugged and good footed group of bulls from the top 2/3 of our calf crop. The bulls were weaned October 15th and put on a high roughage ration and long hay with no silage. They have been developed to maintain structural soundness and hoof development.

We have added a new bloodline this year, LAR Man In Black. His offspring are big bodied, rugged and ready to cover some big country. Once again, the "Outrider" sons offer volume, thickness, style and calving ease. "Outrider" is a tremendous sire that stamps everyone with extra depth of body, thickness and a mild disposition. We are also offering sons of Growth Fund, Guarantee and our newest herd sire, "Elevate". As I walk through this group of bulls, I sure do appreciate the quiet dispositions and how they have developed out. They are good footed and sound.

The bulls have been ultrasound scanned by Jason McLennan, Belle Fourche, SD. Data will be available sale day. The genomic-enhanced EPDs in this sale catalog are powered by Neogen. We provide DNA and actual information to increase the accuracy of the EPDs for the bull you are purchasing and allows us to do a better job improving genetics and profitability.

"Keeping your operation profitable is one of our top priorities!"

Bulls left for wintering will have a semen evaluation before delivery and we will be retaining a 1/3 semen interest in all our bulls.

All bulls are fully guaranteed to be breeders and will have a breeding soundness test prior to delivery.

Thank you for taking an interest in our cattle! Feel free to stop and view the cattle at the ranch any time prior to March 6, 2024, or at Kist Livestock thereafter.

Sincerely,

L..J. & Janet Dohrmann

A man amongst boys from a young age, combining tremendous base width and muscle with exceptional substance, rib shape and length of body. Described by many astute cattlemen as the most powerful Angus bull they've seen in recent years. His progeny are tearing it up with big-time performance and outstanding demand in sales across the country. Dam is a 10 plus year old Pathfinder with a great udder and a nursing ratio of 112. His unique data and imposing phenotype make for as stout of a power bull package as we know how to make. 6 Sons Sell. The Man In Black sons are a powerhouse group of bulls that will go out and add exceptional gainability and extra maternal value.

We purchased this bull out of the Hinman Angus Sale in 2020 in partnership with Oxbow Angus, Wolf Creek, MT and Hinman Angus. He sires them thick and stout and the disposition is outstanding. Semen available.
18 Sons Sell! They are an outstanding group of bulls that will go out and add tremendous depth and thickness to any cowherd and their offspring.
Excellent dispositions!

We purchased the tope selling "Elevate" out of the High Point Genetics, Osceola, IA, in 2022. Elevate is massive, extra deep bodied, soft middled and correct. His disposition is phenomenal! This bull offers 8 traits in the top 20% of the breed.

4 Sons Sell! Don't overlook these bulls. They are younger but are growing out to be big bodied, thick topped and weighed up well!

It's rare to find a bull that captures one's eye on paper and in the pasture. GROWTH FUND is a structurally sound, moderate framed bull with a powerful hip and rear leg. He exhibits extra neck extension, a smooth shoulder and is wide topped and wide-based with muscle expression and depth of body. Want to increase your assets? Invest in GROWTH FUND! 2 Sons Sell! These two Growth Fund bulls are big bodied, growthy and sure to add pounds to your calf crop!

*Bulls have been vaccinated with Vision 7 Somnus, Vista Once SQ, Fusoguard, Wart Vaccine and Express 5-HS.

*Bulls have been poured with Ivomectin.

*Free bull keep until April 1, 2023.

*Free delivery of bulls within 500 mile radius

*\$50 discount if you haul your bulls sale day

*Bulls all sell with a complete DNA genetic profile

*Breeding Guarantee: A full 60-day breeding season guarantee, from the date of turn out, will be given for any bull selling for \$3,000 or more, for any injury that would keep him from becoming a breeder for the first breeding season. This does not cover injuries prior to the breeding season. If a problem occurs we will provide a suitable replacement, or you will receive full credit towards a purchase in next year's sale. The guarantee does not cover death as that is insurable. Injury or death prior to delivery of the bull is not the responsibility of Dohrmann Cattle Co., also insurable. The bulls are fertile to the best of our knowledge and are guaranteed to pass a breeding soundness exam. We request that you notify us before you cull an infertile bull. We reserve the right to a second opinion by a veterinarian of our choice.

*Insurance: An insurance representative will be available sale day to provide insurance coverage.

"Bulls left for wintering will have a semen evaluation before delivery!"

NOTES

It Means a Lot to Us

By Jamie Fast

*It means a lot to us that you rose early to get the chores done to travel so far and attend our sale,
It means a lot to us that you left your wife/daughter/son to watch over those calving heifers and cows,
It means a lot to us that you arrived early to carefully check out every pen of bulls,
It means a lot to us that we got to shake your hand, answer your questions and invite you to take part
in our lunch,
It means a lot to us that you expressed your appreciation for our genetics and sale offering,
It means a lot to us that you participated to help us celebrate our 53rd Annual Sale,
To our many loyal customers, dear friends and family...we thank you!*
