Welcome!

Dear Friends and Cattlemen,

It gives us great pleasure to welcome you to our 54th Annual Production Sale! Our family would like to start by thanking our many valued and loyal customers who have placed their trust and confidence in us to supply them with high-quality seedstock year after year.

Our long history in the business tells the story of customer satisfaction that is - and always will be - our highest priority! Approximately 80% of our buyers each year are repeat customers, some have bought our cattle for over 30 years. We greatly appreciate those folks who have patronized us for so many years. We also look forward to providing quality cattle to those who are willing to give us a try for the first time.

Richard and Jamie are slowly cutting back their herd to make room for the Strommens, and therefore 10 super-fancy yearling heifers from the heart of the Fast replacements will again be a top feature in this year's sale!

We believe strongly in the genetics that we produce. Throughout the offering you will find dams sired by our home grown bulls such as Fast-Strommen Reno 987, Fast Capitalist 414, and Fast-Strommen Payweight 845 to name a few.

We encourage everyone to stop by as we would be happy to show the cattle to you and allow us to help you find what you are looking for. Frontier Live Sale will again offer live online auction for those of you unable to attend on sale day.

We have a great sale offering of bulls that are not creep fed. After weaning they are fed a high roughage - low concentrate ration. A ration which allows them to gain evenly and consistently without ruining their feet or jeopardizing their fertility. Our customers report that the life span of our bulls in their herds has been up to 5, 6 and yes...as much as 10 years!

We believe in producing efficient, practical and profitable Angus cattle. We strive for efficient cattle that are just the right size for their environment and still grow heavy calves. Practical cattle that calve easily, are quiet to handle, require less labor and easy fleshing to feed costs down. Profitable cattle that are affordable, but generate the kind of calves that feeder buyers demand.

So join us for our 54th sale! We eagerly look forward to shaking your hand and visiting with new and old friends!

Sincerely,

Richard & Jamie Fast

Jeremy & Rachel Strommen

High Road stems from the iconic donor in the Hinman and Hoffman programs, HA Rito Lady 3839, who is also the dam of Hoffman Thedford. High Road stands square on the ground with good feet, lots of rib shape and depth of body. He also adds muscle expression and mass. He is the sire of Lots 1-8, and heifer Lots 95, and 98.

We Value Our Customers!

Customer satisfaction is and always will be our highest priority! Approximately 80% of our buyers each year are repeat customers and many have bought our bulls continuously year after year.

Why so many repeat customers?

For several reasons: First of all, not all the bulls we raise make the sale. We carefully select our sale offering for overall quality, performance, soundness of feet and legs, disposition and fertility.

Secondly, we proudly stand behind our bulls. If for whatever reason our customer is not happy, we will do our best to make it right. Just promptly give us a call. We will be happy to take your call!

Thirdly, we are happy to work with the many situations our customers may have. No place to winter a bull? We'll take care of your bull until you have space. Need the bull delivered at a certain time and location? Just let us know. Would like your bull semen collected? We can help with that too.

Visit us at the ranch and attend our sale to learn why our customers are happy with their bulls!

A big, big thank you to our ranch hands Chance Hoesel and Raymond Holle! They put in some really long days (and nights) for us in order to get our new barn up and running for clipping bulls and calving season.

Too busy calving to make it to our sale?

Buy with confidence online at

www.Frontierlivesale.com!

For tech support call 866-313-0123.

We welcome visitors to the ranch and this year we're going to make it worth your while to stop by! We'll give you \$100 toward your total purchase if you come view the cattle, at the ranch, prior to the sale. So come on over, the coffee is hot and there's plenty of cookies!

OF LIFE!**

Be Strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go.

Joshua 1:9

Friends and Cattlemen!

Welcome to our 54th Annual Production Sale! Thank you again to new and old customers for taking an interest in our sale offering! We are so thankful for the long, beautiful fall we had this year. Really gave us a chance to get caught up on all the little fix-it projects that needed doing.

We are offering a set of the stoutest, rugged, deep bodied and good footed set of bulls that we have ever offered from the top 2/3 of our calf crop. The bulls were weaned October 11th and put on a high roughage ration and long hay with no silage. They have been developed to maintain structural soundness and hoof development.

We have added several new sire groups this year that we are very impressed with! "Sitz Accomplishment" and "Duppong Rainmaker" sired sons are sure to impress! Once again, the "Elevate" and "Outrider" sons offer volume, thickness, style and calving ease.

The bulls have been ultrasound scanned by Jason McLennan, Belle Fourche, SD. Data will be available sale day. The genomic-enhanced EPDs in this sale catalog are powered by Neogen. We provide DNA and actual information to increase the accuracy of the EPDs for the bull you are purchasing and allows us to do a better job of providing our customers with the genetics to create profitability.

"Keeping your operation profitable is one of our top priorities!"

Bulls left for wintering will have a semen evaluation before delivery and we will be retaining a 1/3 semen interest in all our bulls. All bulls are fully guaranteed to be breeders.

Thank you for taking an interest in our cattle! Feel free to stop and view the cattle at the ranch any time prior to March 5, 2024, or at Kist Livestock thereafter.

Sincerely,

We purchased the Lot 1 bull out of the Duppong's Willow Creek Sale in 2023. He sires them thick and stout. 2180's disposition is outstanding. They are an outstanding group of bulls that will go out and add tremendous depth and thickness to any cowherd and their offspring. 11 Sons Sell!

NOTES

It Means a Lot to Us

By Jamie Fast

It means a lot to us that you rose early to get the chores done to travel so far and attend our sale,

It means a lot to us that you left your wife/daughter/son to watch over those calving heifers and cows,

It means a lot to us that you arrived early to carefully check out every pen of bulls,

It means a lot to us that we got to shake your hand, answer your questions and invite you to take part in our lunch,

It means a lot to us that you expressed your appreciation for our genetics and sale offering,

It means a lot to us that you participated to help us celebrate our 54th Annual Sale,

To our many loyal customers, dear friends and family...we thank you!
